Romans 12: 4-5: For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.

Thank you for serving God in this way. If you are unable to do your rostered responsibility, please organize a swap with someone and let the Worship Leader or Robyn B know. If you would like to do something extra one week, please let the worship leader know. If you are rostered, the Worship Leader will make contact during the week before the service to organise the service. Worship practice is 9am Sunday mornings.

There are a few gaps at the moment, if you are able to help in any way, please let Robyn know.

WHAT DO WE DO?

GLORIFYING GOD BY BUILDING LABORERS ON THE CAMPUS FOR THE LOST WORLD.

Intentionally share the gospel

on college campuses in Australia

to build up the Australian Church

to save some of the least-reached places on the planet.

“The University is the clear cut fulcrum with which to move the world...More potently than by any other means, change the university and you change the world.”

Former Sec. General, UN

WHY COME ON STAFF?

THE COLLEGE YEARS

Statistics show that for most people, there is a window of time between the ages of 18 and 24 when most people either abandon or adopt their faith. This window of time peaks around age 20.

For most, 6 short years determine their eternity.

JAKE'S STORY

Jake came to faith through Uni Impact during his first year at the University of Queensland. Since then, God has burdened his heart for the lost and given him a deep desire to see people come to know Jesus throughout Australia and the world. Having graduated with a Bachelor of Psychology, he has decided to pause further study and pursue this calling. His prayer is that God would use him to labour in the colleges, seeing students encounter Jesus, grow in spiritual maturity, and be sent out as labourers into God's harvest.

WHERE DO WE DO IT?

The need for a Gospel Movement in Australia is great. There are over a million university students across the country who have very limited exposure to the Gospel.

BRISBANE, AUSTRALIA
Only 5% are evangelical Christians, and skepticism toward religion is very common among youth.

HOW WE DO IT?

HOW CAN WE PARTNER?

- GIVE MONTHLY
- PRAY SPECIFICALLY
- CONNECT INTENTIONALLY

For they have gone out for the sake of the name, accepting nothing from the Gentiles. Therefore we ought to support people like these, that we may be fellow workers for the truth.

3 John 7, 8

Here is some more about Jake who shared in our service recently about God's call to for him to serve with Campus Outreach. Please continue to pray for Jake as he serves God in this way.
