1 Timothy 3:16 Godliness Revealed

A reminder of Sunday's BD message.....

The dwelling place of God is the gathered community of Christ. So we, as Disciples of the Lord Jesus Christ, are THE dwelling place of God—the household of God—the church! And each local gathering of God's people are to be a 'pillar and buttress of truth'.

An amazing mystery of the Gospel is that Christ has done everything needed for us to be saved (God came to earth as a human, he suffered and died for our sins, he was raised from the dead and ascended into heaven, and all who repent of sin and believe in Jesus will be saved). This is the mystery that has been made known to us and he has put that mystery—the gospel message—into the hands of the church, to proclaim it locally and to the nations.

If the Gospel truth was not being proclaimed and lived in our little town and our district, we would be failing to uphold God's salvation work.

If the Living God, is living inside us (the church), then how we live, reflects on God. Christ living in us, reflects God in our lives. And as we continue to live with God in us, as we mature as Christians, our lives reflect more and more and more of who Christ is.

And so as we read through the qualifications of overseers and deacons in the church - we are reading about people who we set aside in the church as recognised leaders. Paul tells us that these people must demonstrate spiritual maturity. And spiritual maturity is something everybody in the church should be aspiring towards—above reproach, great integrity, sober-minded, self-controlled, dignified, hospitable, able to teach etc.

These qualifications basically boil down to Christ likeness. And this is something that the whole Church should be growing in. Why? Because God is in us and the whole focus is on Christ.
