

Dear Bush Disciples Church,

This Sunday 22<sup>nd</sup> March 2020, is the first of the Online Bush Disciples services.

The Bush Disciples Web Site has a new page, dedicated to Online worship. Go to [www.bushdisciples.church](http://www.bushdisciples.church) and click on “Online Worship” in the left column. That will take you to each week’s resources.

Lauren has done an amazing job of putting together an order of service (available on the Web Site) for this week that will enable us to worship God together.

It is in a format that can be easily followed, and different people can take it in turns of praying, reading the Bible readings etc. Please give it a go, and worship God together with your family. It would be nice to get together with another family (or an individual person), to share in worship together.

Feel free to use all of this order, or substitute prayers with your own.

There are some songs selected, and they are presented as “hyperlinks”, so if you click on them, they should open on your computer, and provide you with music.

When you get to the message section, you can click on the hyperlink for either:

- ❖ Vimeo (higher quality video, but takes more download); or
- ❖ The Bush Disciples Web site, where you can watch a lower resolution video, using less download.

**Or:** You if you have an Apple TV or Smart TV, you can get the Vimeo app and search for Bush Disciples on Vimeo, and watch it right there on your TV.

We pray you will enjoy worshipping God in this different way for the season we are in.

If anyone has any questions, or if you are having difficulty making it happen, please contact me to see if I can help.

God bless,

Michael.
